This is not only a cordial invitation to all the ladies, but is an urgent request that no lady miss this helpful and interesting lecture upon a subject nearest to us all, our health.

AMUSEMENTS.

A Recent Criticism of Miss Rhe Lorraine and Her Work from the Burlington Free Press Speaks for Itself.

"That Miss Lorraine has been most successful in her arduous work is being demonstrated by the crowded houses which greet her nightly. All who witness her work are forced to concede that for versatility, for naturalness of methods, for delicacy of touch in portrayal and for purity of technique, she stands pre-eminently in the foremost ranks of American actresses."

Miss Lorraine will appear at the Barre opera house for a special engagement of one week commencing July 4th. Her productions will be elaborately played and costumed and the theatre-going people of Barre may look forward to an exceptional treat for the week. Consistent with the high grade of Miss Lorraine's plays, the vaudeville section will be in keeping with the tone of the performances none but the best of artists being engaged for this part of the bill.

Prices for Miss Lorraine's engagement remain 10, 20 and 30c. Seats now on sale at the Red Cross Pharmacy.

Notice to Granite Cutters.

Keep away from Montreal, Canada, until the trouble there is settled. Oppositionists in Montreal will be considered oppositionists in Barre. Alex Robertson, Secy Barre Branch, G. C. N. U.

Croup instantly relieved. Dr. Thomas' Electric Oil. Perfectly safe. Never fails. At any drug store.

THE NATIONAL HOLIDAY.

Cost 400, Lives Last Year. A Plea for Care.

To the People of Vermont:

The approach of our great "National Holiday" is to many a source of considerable anxiety. Its celebration last year caused 494 casualties. The number injured from recovered were 3383; 408 died from lock-jaw caused by injuries. Many lost an arm or leg; forty were rendered blind.

These accidents were caused by the toy pistol and other explosives. In view of these many accidents we would warn all parents and other persons having charge of children, of the great danger attending these explosives, and especially of allowing children to handle them.

However, should any accident occur, however slight, do not temporize with it but call your physician at once. Antiseptics and cauterization are not sufficient; the only means to prevent lock-jaw is the use of Tetanus Antitoxin.

By the State Board of Health,

Henry D. Holton, Secretary.

INDUSTRIAL NOTES.

The largest iron chain in the world has recently been finished at Lebanon, Pa. It is more than a mile long, and each link weighs ninety-three pounds.

The United States employed 10,555 men in distributing mail last year. The cost, distributed among 1,400 lines, was \$63,594,000. In 373 accidents to mail cars 18 clerks were killed and 78 seriously injured.

Our imports of books, free, in 1903 amounted to \$2,638,330 and dutiable to \$1,000,348, a total of \$4,538,678. Our exports were represented by the sum of \$4,330,732, the balance in our favor being a little over \$200,000.

A shoe manufacturing company in East Manchester, N. H., received recently a single order for a little over 700,000 pairs of men's shoes, valued at \$1,000,000. This is said to be the largest single order of the kind ever placed in the Granite State.

RECORD OF THE PAST.

No Stronger Evidence Can Be Had in Barre.

Look well to their record. What they have done many times in years gone by is the best guarantee for future results. Anyone with a bad back; any reader suffering from urinary troubles; from any kidney ills, will find in the following evidence proof that relief and cure is near at hand.

L. H. Hooker, contractor and builder of Prospect St., says: "I doctored and used almost every known remedy for my kidneys, but nothing did me any good. There was a constant dull pain just over those organs, and I could not sit but a short time, for it made me so nervous that I had to get up and walk around. A kidney weakness, which was very annoying and painful through the night existed, while in the morning there was a distressing retention. I was very bad when I heard of Doan's Kidney Pills. I got a box at E. A. Drown & Co's drug store, No. 48 North Main Street, Barre, Vermont, more out of curiosity than expecting results. Well, after using it, I felt so encouraged that I continued the treatment and took five boxes in all. I felt better in every way than I had for a number of years. I never used a medicine that did me as much good as Doan's Kidney Pills. Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute."
